Center for Sight Maui, a new comprehensive vision-care center, has opened in Kahului.

The center, headed by optometrist Jeffrey Guild, will offer optometry, ophthalmology and laser treatment services.

It also will collaborate with physicians from the Honolulu-based **Retina Institute of Hawaii** on diagnosing and treating patients for cataracts, glaucoma and other eye conditions.

Center for Sight Maui is located at 33 Lono Street and will be open Monday to Saturday from 8 a.m. to 5 p.m.
